

Molly Orange

A new circus-sit-com set in a failing old fashioned boozier, our Pub landlord and landlady have a big decision to make... go hipster or go hungry.

Pub is a farcical look at how gentrification hits its communities hard, and the choice we have between clinging on to the past or chasing the zeitgeist. Featuring acrobatics, juggling, the odd pint of Guinness and a fiery finale.

"A bright young thing in outdoor performance" Total Theatre
"Riotous" This is Cabaret
