Jordi L. Vidal Company

dance

puppetry

An original, touching
and lively performance:

That tells an encounter with an
extraordinary character: Death.

With the two protagonists and
the puppet, we travel with
tenderness in a dreamlike
world, with joy and conflict,
with dreams and humour.

The music resonates with the
visual approach of the show in
an intimate dance of emotions.

Without text.
For everyone
from 0 till 100 years old!

Indoors or outdoors
during night time
Length: 50 Minutes
We can play it twice a day
