

A dazzling and surreal big puppet mix-tape show

The Lips are a chorus of delightfully deviant divas whose mouths have escaped from their bodies!

A luminous outdoor big puppet mix-tape show with something to say, The Lips reanimate our favourite songs, celebrate our shared love of popular music and uphold our freedom to speak out, through a big pop-puppetry performance that is seductive yet subversive.

Highly expressive, they change colour at night-time and are best performed after sunset as a show stopper to your festival or event.

“The Lips were just so fabulous...!”
