

XTRAX

The XTRAX Directory in numbers:

Over 2,000 Unique users	Over 950 Different shows
----------------------------	-----------------------------

The [XTRAX Directory](#) is a valuable platform for promoting your company or profile with a view to getting your work noticed. With thousands of users based in the UK and internationally it is a great place to share your work, discover new artists and events and boost tour bookings!

Share the Directory with colleagues, collaborators, contacts, on your social media and anyone you feel would benefit from using it - remember it's totally free to use!

To create a profile:

- Visit the [XTRAX homepage](#) and click on the 'XTRAX Directory'.
- Click register. You will then be prompted to enter your email and to create a username and password. Congratulations, you now have an account!

Adding content:

- You can manage multiple Artist profiles and Shows from one account, giving you the flexibility to manage multiple projects from one place.
- Below you can see the navigation page that greets you when you log in.

- **ADD AN ARTIST PROFILE:** Complete the form with as much detail as you can. Don't forget your website and Social Media URL's!
- You can add videos (YouTube or Vimeo links) and images. For best results, images should be landscape and should be at least 1380px wide and 600px tall. You can also upload documents such as Artist Statements and Tech Riders.
- **ADD SHOW:** Complete the form with as much detail as you can, this will help users find your show and give them the information they need to book. It's important to create your Artist profile before you fill in this form so that you can link your Show(s) to the correct profile. If you manage more than one artist, ensure you select the correct one using the drop-down box! Adding images, videos and documents are as above.
- **LEAVE FEEDBACK:** This link takes you to a feedback form where you can let us know if you've experienced any errors or have any suggestions on how we can improve the directory.
- **MY ACCOUNT:** Here you can add your personal details, display name, website, biography etc. You can also change your password.
- **MY CONTENT:** This page gives an overview of all your added shows and profiles. Here you can easily edit your content across the different sections.
- **MY FAVOURITES:** This page displays your favorite Artists, Shows and other content you may have favorited throughout the site. You must be logged in to add items to your favourites.
- **LOG OUT:** This link will allow you to log out of the directory.

Features of the Directory:

- You can add Documents to your shows, which means you can upload your Tech Riders, Dossiers and any other documents you would like to share with promoters, festival organisers and artists. When you upload them, make sure the document titles are clear and descriptive.

- Videos are much more visible, and you can upload as many as you want! Just remember, you can only share them as Vimeo or YouTube links.
- Is your show still touring? If not, simply check the *No*box. It's still great to keep your shows' history all in one place.
- Image size: images should now be landscape and should be at least 1380px wide and 600px tall. They shouldn't contain any text or logos and should be in .jpg or .png format.
- You can add information on Audience type, Access facilities, Text in the show, Workshops, Number. of people on road, get-in / get out, Performance area, Languages, etc. All this information makes it easy for bookers to see if the work is right for their event, so please share what you can.
- The Directory is mobile-friendly and accessible.
