Look mum!! Dancing Hippos!

HIPPOS is a street theater show that challenges the appearances and stereotypes imposed by society. A physical tour that could be a fable, a metaphor, or simply a proposal for all audiences in which to meet and be a little more alone, but in company.

Three hippos dance, live and interact with people, but beyond the fun, a message is hidden, that of respect for difference.

Direction and Choreography

Quim Bigas and Ramon Molins

Design and Production of the Hippos

Miguel Àngel Infante and Dulcie Best
