RHINOS

Advertising often uses the image of a rhinoceros as a symbol of aggression, but in reality, rhinoceroses are timid animals, who flee from danger and human interaction.

3 Rhinos occupy urban space and play “without labels and without prejudice”, opting to “live and let live”. Scenes, choreography and gags, all full of humor - “All you need is dance!”.

Choreography: Xavi Blanco y Bea Vergés.

Design and Production Rhinos: Dulcie Best.

Script and Direction: Ramon Molins.

Performers: Albert García, Jordi Gilabert, Gisela Guitart, Àngels Ribes y Saray Segura
